Letter of Appreciation

ABB AB, Offshore Wind Connections, Sweden, acknowledge and appreciate **Metro-Mac Automation, Abu Dhabi** for their Field Operation Consultancy services rendered to us in our Dolwin Beta Project constructed and assembled in Dry Docks World, Dubai.

The services offered by Metro-Mac involved **Installation of Electrical & Instrumentation equipments, Electrical & Instrumentation QC work inspections, Termination and Testing of Fiber optic cable**. We appreciate the professional approach of Metro-Mac towards the project requirement of ABB AB during the span of this project. They had delegated a professional team which played a major role in successfully completing their scope of work on Dolwin Beta project in time.

We are confident to recommend Metro-Mac as an E&I contractor to other ABB operations and we certainly look forward to work with them in our future projects.

Once again we appreciate the management and staff of Metro-Mac for their outstanding services rendered to ABB AB, Offshore Wind Connections, Sweden during the course of this project.
