Date: July. 08, 2014

To whom so ever it may concern

Through the medium of this letter, Danieli & C. Officine Meccaniche SpA, intends to convey our appreciation for Metro-Mac Automation on their technical expertise and services provided to us in our various projects in Mussafah, Abu Dhabi, since July 2010 and further in Al Jubail, Saudi Arabia, since Oct 2012.

The services provided by Metro-Mac include Testing and Commissioning activities, Panel Erection and Modification, Equipment and Instrument Erection, Cabling and Termination, Impulse line tubing and testing and support in plant start up activities. Their good services provided to us in Abu Dhabi, had given us enough confidence to request their further service in Al Jubail, Saudi Arabia. We appreciate their expertise, professionalism and competitiveness in this exercise which helped us to complete our contract successfully.

We acknowledge that Metro Mac Automation as an E&I contractor for the above mentioned activities are good and reliable. On Behalf of Danieli, I express our gratitude towards Metro-Mac Automation for all their services provided and wish them success in their future ventures.

Yours Sincerely

Mr. Carlo Gallotti
Site General Manager
